## March Madness Sale

### Jamis Xenith Comp Full Carbon Bike 2009

**Was \$3299 Now \$2399**

Unlike other companies who spend their money on marketing and sponsorship, Jamis prefers R&D. This frame is loaded with feathers such as the new BB30 bottom bracket and 1.5 inch headset for extra lateral stability and while the carbon fibre frame keeps the weight low and the ride comfortable. The 105/Ultegra groupset is one of the most reliable on the market and rarely seen at this price. We also have the Xenith Comp Femme in stock. Incredible ride for the money and incredible ride, period.

### Jamis Ventura Elite Alu Carbon Road Bike 2009

**Was \$2299 Now \$1699**

Go fast and keep money your pocket to go to races. Beautiful Alu Carbon frame is fast and narrow. The comfort comes from the addition of carbon fibre in the rear seat stays, fork and seat post. This very light bike makes a fantastic ride for the racer or the long distance rider. This is the best priced Shimano Ultegra bike at the moment and the addition of Shimano wheels. You really don't want to miss this deal.

### Jamis Comet Triathlon / Time Trial Bike 2009

**Was \$2250 Now \$1699**

First Tri bike or TT bike? This is the one. This bike will provide all the aero benefits you need to sail through your local tri or time trial. You can buy performance but in this case, it doesn't cost as much. The Comet comes stock with a combination of Shimano Ultegra and 105, Profile cockpit and Class 'A' Aero Wheels. Stunning red paint scheme screams fast.

### Argon 18 Krypton Full Carbon Bike 2010

**Was \$2750 Now \$2499**

New for 2010 Euro-sports is the only Argon 18 dealer in Ottawa. Argon 18 is one of the biggest bicycle companies in Canada. They are the sponsor of top triathlete Samantha McGlone and Canada's only "Pro" race team, Spydertech. The Krypton comes with a full ultralight carbon fibre frame that takes most of its technology from the Pro Level Gallium. The bike comes complete with a Shimano 105/Ultegra groupset combo and Mavic Aksium race wheels. This bike is also available with Ultegra, Dura-Ace or SRAM Red groupsets.

All bikes include comprehensive bike fitting, one year full service and warranty

# Riding to Work or Riding in Europe?

**All touring and commuter bikes on clear out**

## Jamis Aurora Elite Reynolds steel touring bike

**Was \$2199 Now \$1599**

It is true that for long distance touring, nothing rides like a steel frame. Hand built with Reynolds 631 tubing and complimented with a carbon fork for extra comfort and lighter weight. This bike come with a Shimano ultegra groupset and premium touring wheels, rack and fender mounts and everything you need to ride to work or ride across Europe. Ride without the rack and panniers for a light weight spin on your favourite route in the Park.

## Jamis Aurora Reynolds steel touring bike

**Was \$1499 Now \$999**

The touring bike on a budget. Steel through and through including the hand crafted fork. Reynolds 520 tubing and complimented with matching fork extra comfort and added strength. This bike come with a Shimano Tiagra/Deore groupset and premium touring wheels, rack and fender mounts and everything you need for your first big trip or your daily commute. **NO PST ON ALL BIKES UNDER \$1000**

## Jamis Coda Steel touring hybrid

**Was \$749 Now \$579**

If you need the steel frame for touring or commuting but don't have the budget for a full service drop bar touring bike then this is your answer. The same Reynolds 520 tubing as the Aurora but with a more cost effective Shimano Acera component group and straight bar set up. The frame and fork still have eyelets for fenders as well as front and rear racks for any type of long or short distance tours. **NO PST ON ALL BIKES UNDER \$1000**

## Jamis Allegro 3 superlite performance hybrid

**Was \$1399 Now \$999**

The ultimate get to work bike. Light weight aluminium frame carbon fork and aero wheels. This is one fast yet comfortable ride. It comes with Shimano 105 for light weight, clean shifting and reliability. Great for the rough Ottawa roads as well as the smooth bike paths. Easy to carry upstairs to the apartment. Able to easily accept a rack and fenders on the frame. **NO PST ON ALL BIKES UNDER \$1000**

## Jamis Allegro 1 performance hybrid

**Was \$849 Now \$599**

Cheaper than a bus pass and never goes on strike. Light weight aluminium frame and fork. 16 speed Shimano Sora and handle and gravel path or pot hole you can drive through. Light enough to carry up the stairs and strong enough to take the day in and day out rigours of riding to work. **NO PST ON ALL BIKES UNDER \$1000**

**30% off aluminium pannier rack with purchase of touring/hybrid bike**
